## Characteristics

|                   |            |
|-------------------|------------|
| Type accessoires  | LED Driver |
| VSA voor lamptype | PL-C       |

## Algemene informatie

|                   |                                                                                                    |
|-------------------|----------------------------------------------------------------------------------------------------|
| Artikelnummer     | 241862                                                                                             |
| EAN               | 8719157031141                                                                                      |
| Merk              | Other                                                                                              |
| Fabrikantnaam     | Meanwell MW-ELG-150W-24v Driver for Noxion LED Strips   DALI indoor   incl DC Cable   Incl 2x WAGO |
| Aanbevolen aantal | 1                                                                                                  |
| Garantie          | 5 jaar                                                                                             |
| Levensduur (uur)  | 0                                                                                                  |

## Technische Informatie

|                      |                |
|----------------------|----------------|
| Technologie          | Accessory      |
| Output Voltage (V)   | 24V            |
| Armatuur Aansluiting | Kabel, 2-polig |

## Afmetingen

|             |     |
|-------------|-----|
| Lengte (mm) | 219 |
|-------------|-----|

|              |    |
|--------------|----|
| Breedte (mm) | 63 |
| Hoogte (mm)  | 35 |

## Sensor Informatie

---

|            |             |
|------------|-------------|
| Sensortype | Geen sensor |
|------------|-------------|
